vs.

DCA Case No. 5D09-3789

SEMINOLE COUNTY, FLORIDA,

_____ /

**PUTNAM COUNTY ENVIRONMENTAL COUNCIL,
INC.'S NOTICE OF INTENT TO FILE AMICUS CURIAE BRIEF**

PUTNAM COUNTY ENVIRONMENTAL COUNCIL, INC. ("PCEC"), pursuant to Florida Rule of Appellate Procedure 9.370(d), hereby gives notice of its intent to seek leave of Court to file an amicus curiae brief on the merits in support of the Petitioners should the Court accept jurisdiction in this matter.

PCEC is a not-for-profit conservation organization located in Putnam County, Florida. Founded in 1991, PCEC works to restore, protect, and conserve the natural environment of Putnam County by educating the public, taking an active role in county government, promoting smart growth, and working with governmental agencies. In furtherance of its stated purposes, PCEC often appears

at quasi-judicial land use hearings held by local governmental bodies in Putnam County on behalf of its members who would be directly and adversely affected by proposed land use actions. PCEC and its members have a special interest in this matter because of the substantial adverse impact the Fifth District's decision will have on the ability of "affected parties," as defined in *Renard v. Dade County*, 261 So. 2d 832 (Fla. 1972), to create a complete record, via cross-examination of adverse witnesses as well as by the presentation of direct testimony, during quasi-judicial land use hearings and to rely on such record in seeking meaningful judicial review of quasi-judicial land use decisions.

RESPECTFULLY SUBMITTED on this 10th day of November 2010.
