

IN THE SUPREME COURT OF FLORIDA

CARILLON COMMUNITY
RESIDENTIAL ASSOCIATION,
INC., and KEN HOFER,

Petitioners,

vs.

CASE NO. SC10-_____
DCA Case No. 5D09-3789

SEMINOLE COUNTY, FLORIDA,
AHG GROUP, LLC, and
UNIVERSITY OF CENTRAL
FLORIDA FOUNDATION, INC.,

Respondents.

**ROBERT K. LINCOLN'S NOTICE OF
INTENT TO FILE AMICUS CURIAE BRIEF**

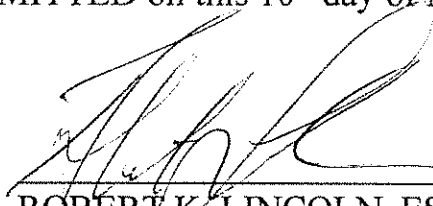

ROBERT K. LINCOLN ("Lincoln"), pursuant to Florida Rule of Appellate Procedure 9.370(d), hereby gives notice of his intent to seek leave of Court to file an amicus curiae brief on the merits in support of the Petitioners should the Court accept jurisdiction in this matter.

Lincoln is an attorney with the Sarasota, Florida, firm of Icard, Merrill, Cullis, Timm, Furen & Ginsburg, P.A. Lincoln frequently represents clients before local quasi-judicial bodies in land use matters, and has authored numerous articles on issues associated with quasi-judicial proceedings. Lincoln has a special interest in this matter because of the substantial adverse impact the Fifth District's decision

will have on the ability of “affected parties,” as defined in *Renard v. Dade County*, 261 So. 2d 832 (Fla. 1972), to defend their legally recognizable interests proceeding against illegal actions by their government and their neighbors.

If this Court accepts jurisdiction, the Court will be required to determine the due process requirements governing the right and ability of parties other than the application to establish their status as “affected parties” to a quasi-judicial land use hearing, as well as what due process protection must be granted to such affected parties during the quasi-judicial land use hearing. These issues have a state-wide impact and substantially affect Lincoln’s clients and Lincoln’s ability to represent their interests.

RESPECTFULLY SUBMITTED on this 10th day of November 2010.
